

ANNUAL GENERAL MEETING

Notice is hereby given that the Annual General Meeting of the Club will be held in the Club Rooms, 75 Deanmore Road, Scarborough at 11am on Sunday 12th June 2016. *Membership card is required for entry.*

Business

1. Minutes of the previous Annual General Meeting.
2. Reception of the Statement of Income and Expenditure, Balance Sheet, Annual Report and Auditors Report.
3. Election of the Board of Directors, Auditors and Office Bearers.
4. New Legislation
5. General Business
 - By order of the Board

Members please note that copies of the 2015 A.G.M. Minutes are available at the Office.

PRESIDENT'S REPORT

Dear Members

Given the unprecedented resignation in late April of the duly elected President at last year's AGM, I have as Vice-President had to fill the role of President for the remaining time until the upcoming AGM in June. In that role I present my report to the Members of the Scarborough Sportsmen's Club (Inc.)

I will provide a brief outline of what has been happening behind the scenes at Board and management level over the last twelve months that allows the Club to operate in a manner that is transparent and unambiguous.

The Club - apart from being a fun place to come and enjoy the facilities with your family or mates has a business side to administer for an organisation as large as we are now.

It is always difficult for a group of volunteers to get everything right in all instances when running an organisation that has approximately 2000 members on its books. However full credit must be given to those that volunteer their time to help make it run as smoothly as it can.

The Club is very lucky to have the experience and knowledge that Clive Fentum our Club Manager brings to the position. Clive is instrumental in the day to day running of the Club's operations as a 'Business', - particularly for the reduction of operating costs in a variety of areas such as waste management, wages, cleaning, and stock reduction. He has also been instrumental in renegotiating contracts with our suppliers which has resulted in the granting of large cash rebates which contribute significantly to the Club's bottom line.

The Club Trustees has also made significant amounts of quarantined monies available to clear some of the liabilities that have accumulated over the last couple of years, associated with the very necessary renovations to the kitchen and dining facilities now available to Members. Without these facilities encouraging new and longer term members to attend the Club more frequently our bottom line would certainly not be in as good a place as it is - even though the final figures for the year show that we again sustained a loss this will be offset when we receive a rebate from one of our suppliers in the coming months.

The funds released by the Trustees plus those received from a Rental Property the Club

owns keep us close to an even keel. There is no bottomless pool of cash so we must find alternate ways of generating revenue to enable the Club to maintain the current status quo whilst looking to the future to improve member facilities.

As a Club we are by nature a non-profit organisation. That does not mean the Board does not go all out to try and achieve profits that allows us to put any monies raised into the continued upkeep of what all will agree is an aging facility with high overheads. We were not helped when we were required to replace the incoming power supply for an amount of \$15,000.

Our internal wiring distribution systems will eventually require upgrading or replacement as well. Add to our 'urgent attention needed list' the current condition of our toilet facilities - some of which have not had a makeover since installed in the 70's means we will in the very near future have to commit to improving these facilities.

Such is the current situation for many Clubs similar to ours, in the surrounding suburbs - some age gracefully - some less so. Fortunately for most of them, they can approach their Shire for assistance we cannot.

Our public liability insurances amount to almost \$50,000 annually and when you consider we have taken approximately \$90,000 in annual 'ordinary' memberships (\$65.00) thus far this year you do not have to be a mathematician or an accountant to work out the sums regarding the available funds to aid much needed improvements at the Club.

We receive little or no financial assistance from local Shire or Government agencies because we are Freehold. So the precarious nature of balancing the books and still make some improvements to the Club requires careful planning whilst trying live within our means. In many ways it is not dissimilar to running a household budget these days. All our utilities are constantly subject to increases as the provider sees fit - usually we all agree unfairly but we still have to pay.

Within many Clubs there is no longer a brigade of volunteers that were once the backbone for the outward presentation of the grounds and premises. Ours is no exception. Each time we

must do something it costs us money for the labour portion. I accept that we have to purchase goods to make improvements - however we have to somehow re-invigorate the mentality of 'Lend a Hand' occasionally to make YOUR Club the place you want to attend and bring your guests to.

You do not have to get on the Board of Directors to contribute to your Club. It can be as simple as picking up a piece of litter in the car parks on your way in or out of the Club. Return your empties to the Bar when finishing your visit to the club to distinguish the fact it's a Club, not a Pub.

The Board and Management are constantly trying to engage you our members and provide events to cater for a variety of tastes - many in the last year resulted in cancellation of the event due to member apathy. In the coming months we will be providing 'Free' events where you can come and enjoy the Likes of Slim Jim and Darren Reid and their wonderful bands. So why not make a mental note to organise your baby sitter and get down to the Club and let your hair down and who knows you might even want to do it more frequently.

We as a board are really committed to bringing you to the Club to have enjoyable times when here - maybe not every weekend but if we can encourage enough Members to attend these events - then word of mouth advertising is our best way to let others know we are right here in the centre of your community providing something relatively inexpensive and worthwhile and the frequency of these events can increase.

We have great facilities for local School P+F's to use for school functions, sun-downers, discos etc. If your children attend these schools we encourage you to let your P+F committee's know of our existence.

The Club is not located on a main thoroughfare and can never be reliant on passing trade - a lot of people think as they pass that it's a Bowling Club and just for oldies (apologies to all our bowlers) - but when they cross the door many are pleasantly surprised by what they find. The changing face of Scarborough and the regeneration of the area and numbers of young families in the area means that The Club is well positioned to provide the facilities that will enhance the experience of living in one of the best areas in the metropolitan area.

Please remember the Club is a 'Club' not a Pub or a Tavern and is required to operate as such under the Liquor License Act 1988.

The Club does not set the rules outlined by this act which permits members to have up to 5 guests at any one time on a given day but after 3 visits those guests must apply to be ordinary members of the Club.

The Bowls and Tennis division provide countless social events during the non-pennants season. Tuesday, Thursday and Saturday afternoons for Bowls - Scroungers on a Sunday Morning. Tennis Players have Tuesday Mornings, Saturday and Sunday afternoons - All non-threatening, non-committal, cheap and very enjoyable. We have squash courts, pool tables and dart boards and we also have a TAB for the odd punt that seems to affect us all occasionally.

We have a group of ladies who play Mah-Jong each Thursday afternoon and I am sure if you come down they will make you feel very welcome.

On a Saturday afternoon in winter you can pop down to Millington Reserve and watch the Scarborough Amateurs engage in the WAAFL league. Great, honest, competitive football and you can get a soup or burger to warm you up or a beer or wine to cool you down in the event of being a bit vocally heated cheering on the Green and the Gold.

In summer the Cricket Division boys enjoy putting on their whites to entertain you on the turf at Abbett Park. Plenty of shade available and cool drinks at their clubhouse premises. With Abbett Park adjacent to run around with your kids, the Club offers the perfect location for a cool drink afterwards.

No doubt the next twelve months will provide us with further challenges which we will meet with enthusiasm and the necessary endeavour we require to overcome those challenges favourably - with your assistance and approval to keep Scarborough Sportsmen's Club Incorporated a vibrant and pleasant place to come and enjoy.

If you have a skill which could assist in reducing a cost to the Club by volunteering that skill and a few hours of your time it will go a long way to providing a feeling of Community Spirit within the Club.

We accept and value all our members without prejudice. As a Club we do not tolerate anti-social behaviour or abuse by any member towards another, in any shape or fashion which lessens their enjoyment whilst being on the

PRESIDENT REPORT cont....

premises. I want to assure members that the Board will take the appropriate actions necessary to ensure all members feel accepted equally.

You can contact me or any Board member with concerns you may have regarding the Club and they will be addressed at our Board Meetings. Please feel free to offer suggestions or assistance in achieving a common goal for all members.

The best and really only way to ensure your concerns or suggestions are addressed is to put them in writing to the Board of Directors and either post them to or hand them in at reception

It is OUR Club - Let's support it.

Billie Mills - President

FINANCE REPORT

During 2015/16 there have been significant changes to the way the Board and Management have looked at controlling cost and maximising revenue, whilst at the same time still providing the optimum service for you, our members.

The year of 2015/16 has been one of financial consolidation and restructure. No major capital expenditure was incurred during the year. Over the past decade hundreds of thousands of dollars has been invested in the club; resurfacing car parks, replacing playing surfaces, creating synthetic bowls facilities, creating a kitchen capable of providing the services we all enjoy today as well as many other things critical in ensuring the club functions.

While the loss was similar to the loss from 2014/15, in 2014/15 the accounts were enhanced by "one-off" revenue of \$55,000 associated with an incentive payment from Schweppes and Carlton United Brewery.

The net trading profit for the year amounted to \$335,777 an increase of 27% on 2014/15. Bar sales were down by 10%, however bar overheads were also down 11%. The bistro sales were down 14% at \$437,568; bistro overheads were also down 26%. Although the bistro made a loss of \$32,326 it was a 68% reduction on the loss from the previous financial year. The bistro provides services to members and is complimentary to bar turnover. In 2016/17 the focus will be on further reducing any loss incurred by the bistro.

Total Other Club Income of \$227,320 has decreased by 26% from 2014/15 (\$306,096). While membership subscriptions were up in excess of \$20,000, this was offset predominantly by the impact of the \$55,000 incentive payments received from Carlton United Brewery and Schweppes in 2014/15, lower sponsorship and lower hall hire fees. Interest received during the year was \$19,258 lower due to financing the rental property. Net rental receipts increased to \$28,769, up from \$9,352 in 2014/15.

General expenses have increased by 4% to \$568,997. Insurance premiums increased by 24% to \$57,568 due to an ongoing workers compensation claim; Wages and Superannuation increased by 6% to \$181,866 and free food and drinks were recorded correctly showing an increase to \$11,994. Proactive cost reductions saw cleaning and rubbish removal decrease by 9% to \$63,544, Entertainment costs decrease by 61% to \$8,135 and Repairs and Maintenance decrease by 39% to \$24,304.

During 2015/16 the funding structure of the sporting divisions was reviewed. The Bowls division agreed to cover all their running costs in return for receiving social bowls income. The tennis and other divisions are currently under review with regard to funding structure. The Board is currently building a new funding structure which is fair and equitable to all sporting divisions.

Balance Sheet summary:

Current assets decreased by 27% during the year predominantly due to timing of stock purchases and a reduction in Trade debtors. Capital expenses were incurred for the replacement of the switchboard and kitchen improvements. During the year the Trustees released \$130,000 to assist with the clearing of short and mid-term debt. As a result the current liabilities of trade creditors and sundry creditors were reduced by \$156,729 to \$78,016 from the 2014/15 balance of \$234,744.

This has been a year of consolidation and restructure with the Club Manager implementing costs saving initiatives as well as revenue generating opportunities.

Outlook:

In 2016/17 we are expecting a further \$75,000 from Carlton United Brewery through a renegotiated funding structure. The focus for the year ahead will be on increasing revenue, reducing cost and clearing debt; positioning the club for future growth. With this focus, the Board will still ensure the member experience is a rewarding and enjoyable one.

Paul Pettingill – Finance Director

CLUB MANAGER REPORT

Over the past financial year we have consolidated the work done on previous years by developing opportunities to improve the clubs profitability.

Although we have seen a significant drop in turnover due to the new restaurants and bars opening at Scarborough beach this has not impacted our profit significantly. In fact if we had received our incentive payments as per the previous year of \$55k we would have made a reasonable profit of some \$20k.

The aim this year is to keep a tight control over wages and margins while slowly clawing back turnover and developing new growth in our functions business. I have also been trying to grow Tuesday night business with Trivia and taco nights which have proved to be a success and will hopefully bring in customers on an ongoing basis.

Some of the events for this year include Slim Jim and the Phatts in June and Darren Reid and the Soul City Groove in October.

Memberships have also increased this year by 281 which will help in achieving some of these goals.

The Club has finalists in the Club WA awards

Chef of the Year James Robinson

Employee of the Year Ailsa Hosking

Best Club TAB Award

Best Club Members Event (Large) Award

Thanks to all staff for their hard work throughout the year from myself and the Board of Directors.

I would like to thank all the members for their support throughout the year and hope this year will build on the previous year's hard work in achieving a degree of profitability.

Clive Fentum – Club Manager

TRUSTEE REPORT

In September 2012 the Club received net proceeds of approximately \$1.45 million from the sale of two properties in Sackville Terrace. In accordance with undertakings given to the then Board of Directors, these funds were quarantined with a view to preserve the members capital. The assets of the Club are vested in the Trustees and we are mindful of our obligation to the members with respect to the preservation of these funds.

Earnings from the quarantined funds were to be transferred to the operating account of the Club as received. To date these earnings are in the form of either interest or rent and have resulted in net income to the Club of about \$168,000 since the houses were sold.

Approximately \$700,000 of the funds under Trustee management were invested in a town house in Northstead Street, Scarborough in October 2014 and at 31 March 2016 \$504,700 of cash remained.

In May 2014 approximately \$42,000 was advanced from trust funds to enable the club to invest in solar panels for electrical generation. The Board at the time presented the Trustees with a document detailing the significant savings that the solar panels would generate for the Club. Most of the projected savings from the Solar Panels have not materialised and the document prepared by the Board in 2014 to support the expenditure was flawed. Effectively money has been wasted on this project. Moreover the promised repayments to the Trust Fund have not been made.

In the Report of Trustees published in the Club's 2015 Annual Report the Trustees expressed their concern about the liquidity position of the Club and the poor trading performance of the food and catering operations. Our report was met with derision by some Board members and a response was prepared outlining the significant budgeted profits for the 2015/16 year including a budgeted cash profit of \$147,098 for the year. This budgeted cash profit was unrealistic and once again a significant loss for the 2015/16 year has occurred. The failure to generate the projected cash profit has resulted in advances being made in January 2016 of \$130,000 from Trust Funds to enable the Club to pay major creditors including the ATO and a range of large and small suppliers. It was never the intention that these Trust Funds be called upon to fund trading losses.

Whilst a lot of hard work has been put in by directors and staff in making the Club an attractive place to visit it is most important that these efforts be rewarded by a restoration to profitability.

TENNIS DIVISION REPORT

The Tennis division membership has reached a plateau of around 200, which despite our efforts to increase those numbers remains a problem. We have introduced a number of initiatives in an effort to gain more members, but are advised this is a problem amongst most of the tennis clubs in the area. Changing demographics in the Scarborough area with younger families moving in points to an increase in future, marked by the great number of junior members and children taking part in coaching lessons at the Tennis Academy, who work very hard to promote the game.

The financial position of the Tennis Division is very sound, although the sudden decision by the SSC Executive well into our season to transfer all of our ongoing costs from the Club to the Tennis Division whilst all our fees had been paid to the Club was a radical departure from previous years. This has made our future financial position very risky as we have less money than budgeted due to the SSC quarantining the \$60 SSC social fee from Tennis Division finances.

Negotiations have been held with the Club to arrive at a mutually agreed position.

Club Facilities.

During the year the 4 light poles on bay 1 of the hard courts were replaced, funded in part by the Tennis Division with assistance from the Department of Sport and Recreation and the City of Stirling.

A major facelift was made to the southern side of the tennis pavilion, which featured covered decking, new flooring in the veranda and surrounds, permanent seating, limestone walls, painting, new outdoor chairs and tables and native gardens. This was entirely paid from the Tennis Division's funds and has been well regarded by members and visitors. Much of the preparatory and finishing work was done by Tennis Division members, a notable saving in costs. Miriam Morgan-Hobbs and her committee deserve our thanks for their work in planning the development of this project.

New comfortable chairs were purchased for the hall, replacing some of the old plastic ones which had seen many years service.

Racing, Gaming and Liquor approved an increase in the licensed area on the north side of the pavilion to enable players and spectators to enjoy those facilities during winter.

A new electric motor and pump were installed on the bore, which should give trouble free service for many years. The City of Stirling will assist in the cost.

A defibrillator was purchased for emergency use at the Tennis Division. This was funded through a sausage sizzle event at Bunnings and very generous donations from our members. My thanks to Jenny Cogan for her work in organising this worthwhile project.

Social Events.

A number of social events were held throughout the year, including an opening day function when the new facilities were declared open by the Honourable Liza Harvey MLA, play and stay functions, one of which featured a talent quest, a quiz night, Friday night tennis and BBQ and annual dinners. The Tennis division has a very good social atmosphere, where members and visitors are made welcome and enjoy the facilities we offer.

Competitions.

The season commenced with an International Rules Tournament in October, won by the Internationals. This was followed by the Del Basso Christmas play and stay tournament and Christmas function in the hall. The annual Australia Day Invitational Tournament was held on Sunday January 24, with winning teams from the Club and visitors. The social tennis afternoon between Wembley Downs and Scarborough has been re-introduced after some years and has proven very popular. The Club also participated in the City of Stirling inter club tournament.

TENNIS DIVISION REPORT cont....

Club Championships were held during April. The results were:

EVENT	WINNERS	RUNNERS UP
Open Men's Singles	Oliver Grumbar	Victor Pereira
Open Ladies' Singles	Meg Connell	Ali Connell
Open Men's Doubles	Rick Willsmore Steve Yarwood	Oliver Grumbar Duarne Sylvestri
Open Ladies' Doubles	Ali Connell Meg Connell	Stephanie White Miriam Morgan-Hobbs
Open Mixed Doubles	Stephanie White Justin Pereira	Jenna Valentin Toby Nicholls
Social Men's Doubles A Div	Bruce Mason Kim Fare	Rob Musgrove Rob Frew
Social Men's Doubles B Div	Craig Harby Mark Lingford	Jerry Cregan Alan Harwood
Social Ladies' Doubles A Div	Gay Wearne Jill Howard	Di Phelps Rosa Gray
Social Ladies' Doubles B Div	Jenny Cogan Liz Wessels	Barbara Lee Barbara Salisbury
Social Mixed Doubles A Div	Graham Burnfield Joanna Tennyson	Grant Nockolds Di Nagle
Social Mixed Doubles B Div	Kenji Chiu Barbara Lee	Mark Lingford Barbara Salisbury

A number of Pennant teams competed against other Clubs during the year but only one team, the Wednesday Ladies team was successful in winning their division. My congratulations to all those pennant players who represented the Club during the season

Sponsors

The Tennis Division is grateful to our many sponsors who provide funds to assist us. They are Sandbar, Autobahn, Planet Dental, Del Basso Smallgoods, Buona Vista Pizza and Aussie Home Loans.

In closing I would like to thank all members of the Committee for their hard work and support throughout the year. An active Committee is vital to the success of the Division. I also express my thanks to the many members of the Tennis Division, who contributed voluntary labour during and after the renovations, and for many instances of catering at tournaments, organising social events and attending busy bees. A special thanks to those members of the Committee who are not continuing due to other pressures, and a welcome to those who will join us to promote and enjoy the game of tennis.

Hugh Morison – Chairman – Tennis Division

BOWLS DIVISION REPORT

The season brought new challenges to the division, both on and off the green. We were lucky enough to have several new bowlers join this year, and sadly we also lost some wonderful members whose service will be sadly missed. A shaky start to the season with the numbers of players listed as available falling short due to injury or illness, saw us having to withdraw a division from the Men's Saturday pennants.

Ladies Tuesday Pennant teams maintained their divisions finishing second and fourth.

To provide more competition for our working Ladies a Friday night Pennant team was entered, with the ladies finishing fourth. Our Saturday Ladies were demoted.

Well done to the Men's fourth division Midweek Pennant team who earned promotion finishing on top of their colour. We will have two third divisions next year as second division has been demoted. Saturday Men's had two third divisions with one finishing sixth and the other demoted to Fourth.

Well done to all Pennant players for your efforts during the season and I have great faith in a stronger result next season.

Congratulations to all our Championship winners and runners up.

The Major individual winners were - Singles Champions - Men's Glenn Martin and Ladies Susanne Robinson. Novice Singles Champions - Men's Glenn Martin and Ladies Kiera Redden.

Men's Bowler of the Year - Glenn Martin and the Ladies Val Harman.

To our Greenkeepers, Glen and Nick, thank you again from all the members for our wonderful greens throughout the season.

With the ongoing need to become more financially independent as a sporting division our fundraising again this year has been very successful, to the point that we have again covered our cost for the last 12 months. Thank you to all the volunteers for your help and support with our various fundraising activities, and all the Club members who supported them.

To our valuable sponsors - Marina Purslowe & Associates, New Look Hair Salon, Peter Drowley, Scarboro Hardware, Rex Spares, O'Rourke Realty Investments, Chemart Pharmacy, Rob Oatley and Carlton United Brewery, we sincerely thank you for your ongoing support during the year.

To our Committee, the Men's and Ladies Sub Committees and all members- well done, and thank you for your hard work, commitment and support throughout the year.

Susanne Robinson – Chairman – Bowls Division

FOOTBALL DIVISION REPORT

Season 2015 was a successful year for the Club although we did not quite reach our final goal of winning the B grade premiership, we were able to complete what has been a long haul in getting back into A grade. Both of our B League and B Reserves team were able to make it through to the Grand Final however on a day where conditions were poor and the wind was blowing a gale both sides unfortunately went down by the closest of margins. I know everyone was disappointed not to win the games however we were extremely proud of all the players, coaches and support staff for their efforts during the year.

Aidan Parker in his first season at the helm did a fantastic job supported by bench coach Alan Walker and assistant Sam Miles. Aidan and Sam also players have made a great impact and been able to recruit some quality players and individuals to the club. Aidan is again in charge of the team for the 2016 season and the first assault on A grade in 8 years.

In other grades, Rod Stark was able to take the Reserves to the Grand Final in his first season in charge of the team. Well supported by Jack McCallum. Both are also back in the role for 2016.

Club Legend Dennis Bullied did a great job of looking after the D1 League and quite often outmanned and undersized and able to pull off some great victories.

Gareth Daley had the tough task of trying to get a full side on the park each week for the D1 Reserves without unfortunately being able to win a game.

In 2016 we will be in the D2 division which should make us much more competitive. Jack Taylor who has progress from the juniors to be a senior premiership player will take on the role as D2 League coach with Steve MacFarlane and Geoff Hales sharing the D2 Reserves duties.

The 2015 Neil Granland Medal was won by Ben Walker as Best Player in the Senior Team with Scott Ranford (Reserves), Brian Coyle ('D1' Grade), Ben Cornwall ('D1 Reserves) & Ben Jamieson (Colts) taking out the top gong for the other grades. The Alby Curtis Shield was awarded to the gorgeous couple Jack Webb and Amber Harvey for their combined commitment to the club off the field

work and the Champion Clubman went to Damien Hocart.

Our committee worked extremely hard over the year to co-ordinate players, team, coaches and support staff to have a positive team environment. We must pay a huge thanks to Tim McCallum who has now stepped down from his President role to spend more time with the family and have some spare time on weekends. He has done a magnificent job over the last few and culminating in the promotion up to A grade was a reward in itself for Tim as I know that is what his main aim was, also not to mention his son Jack McCallum who has also stepped away from the off-field committee role to be able to focus on his coaching development for 2016. The McCallums will always be a household name down at Millington.

We had great support from Peard Real Estate who have just renewed as a Major Sponsor for 2016. This sponsorship comes via the Scarborough office and supported by Sales Associate & Mandy Bizzaca, who's son Ben plays for us, as well as Licensee Sam Mannino and CEO Peter Peard. Along with Peard Real Estate the following sponsors are on-board for season 2016.

Platinum Sponsors

- Ben Randall, The Sandbar Scarborough Beach
- Shery Scott, Botanica Bar & Bistro
- The Hodge Family, Swan Towing
- Stuey Bristow, CNW Electrical Wholesale and Energy Solutions

Gold Sponsors

- Rod Russell, Western Meat Packers Group
- Norm Greaves, Norfolk Homes
- Darren Kirkwood, West Coast Turf
- Steve Gostlow, Tox Free Solutions
- Rod Stark, Trilogy Financial Solutions
- Courtney Moores, Nash Financial Services
- Harry Goddard, Hollywood Carpentry

- Yanni Kagioulos, Peter's By The Sea
- Paul Bizzaca, Pizzaca's Pizzeria
- Tracey Hayes, Scarborough Barber Shop
- Todd Stiles, Grand Cinemas Warwick
- Jim Hilton, Total Sign Company
- Steve Whitfield, Environclean

Please check our website www.scarboroughafc.com.au for the fixtures and results and we look forward to seeing you at Please check our website www.scarboroughafc.com.au for the fixtures and results and we look forward to seeing you at Millington Reserve 'The Mill' for a home game during season 2016.

Ben Walker - President – Football Division

CRICKET DIVISION REPORT

The 15-16 season was a positive step for the club as a whole. Our value of always acting as one club with accountability, excellence, honesty trust and teamwork, was supported by our committee, coaching structure, players, volunteers, supporters and parents. This has allowed us to continue to meet Cricket Australia and WACA requirements and provided our players, particularly our juniors a structured pathway to the 1st grade team. To the committee, coaches Simon and Wes, thank you for your diligent work and efforts throughout the season. The enthusiasm and commitment demonstrated by all reflects the passion and drive to ensure the club continues to provide the best conditions possible for players to grow as crickets and individuals.

The club is a young in experience and given this, the overall on field performance was very positive, improving in the club championship position from last year and 5 of the 9 teams improving their position on the ladder and two others maintaining their position. Also our juniors ranked second amongst all Premier Cricket clubs based on ladder position across all the junior teams.

Congratulations to Andrew (AJ) Tye in making his Australian T20 debut, and to Marcus Harris and AJ for continuing to be key members of the Warriors / Scorchers side during the season. Andrew Rule continued his involvement in the WA senior development squad, which we will no doubt see the ongoing benefit as the years unfold.

During the season the club had a number of junior players who are to be congratulated on their achievements. Cooper Connelly, Alex Chew, and George Pullinger (U12) and Brendan McPhee (U15) represented WA at national championships and did themselves and the club proud. In addition, during the year, 1 player was selected in the U17 WACA Academy, 3 in the U15 WACA Academy, and 10 players competed in the State U15 and U16 carnival, the most by any Premier club.

The 1st grade season was a frustrating one, with the team being competitive in the majority of the games, but falling to get the desired result. However, a positive is that a number of young players made their 1ST grade debut during the season, which knows doubt will be invaluable experience in the future. Congratulations to Luke McQuade, Samuel Moylan, Sean Strachan, Liam Stevens, Leo Cammish, Cameron MacKinnon, Lance Morris and Cody Rose in making their debut. In addition, Anthony Murphy and Burt Cockley made their A grade debut for Scarborough.

Congratulations to Wes Robinson who played his 200th 1st grade game during the season. This is a fantastic achievement and demonstrates his ability to play at such a high standard over a long period of time. Individual achievements of note during the season was Wes Robinson and Anthony Del Borrello scoring a century each and AJ Tye taking 5 wickets in an innings.

The 2nd grade, captained by Mathew Hunter had a fantastic year, finishing 3rd on the ladder and just falling short to qualify for the grand final. The team showed a strong team spirit all year and had a number of outstating individual performances. Mathew Hunter and Lance Morris each took six wickets in an innings, and Ryan Knight, Sean O'Callaghan, Jeremy Wood, Liam Stevens, Cody Rose and Mathew Hunter each took five wickets once in an innings.

Andrew Rule and Cameron MacKinnon both made a century during the season.

The 3rd grade, captained by Jack Payne had a positive year improving on last season to finish 10th. The team was not far from playing finals cricket for the first time in a number of years, but just lacked the bowling depth over a long season to consistently defend scores and bowl sides out cheaply. Nonetheless a very positive season with a number of junior players making their grade debut and performing well. Congratulation to Sean Strachan, Luke McQuade, Patrick Castleden and Mathew Camacho for each making a century during the season. In addition, congratulation to Scott Bayley and Jack Hardy (U17 player) for getting 5 wickets in an innings.

The 4th grade was captained jointly by Frank Licastro and Craig McPhee, who brought many years of experience to the team. The team performed better than in prior seasons, but still too much reliance placed on experienced players to perform game after game. Players from U17 and those playing their first season of grade know doubt have a better understating of what it takes to consistently perform in grade cricket.

Congratulations to Sean Costello who made a century during the year.

Our Colts had a very successfully year, the first for some time. Captained by Sean O' Callaghan they played in the semi-final and demonstrated that if committed in your approach to this completion, positive results can be achieved. Congratulation to Liam Knights in taking a six wicket haul in game and a hundred by Jeremy Boyle.

In regard to our juniors, two teams (U14s & U15s) competed in the finals with one team reaching the grand final (U14s). The other two teams very narrowly missed out on finals, the U13s team being particularly unlucky having lost only 1 game in the entire season. Congratulations go to James Carvalho (U15) for getting 5 wickets in an innings, and also to Brodie McGhie and Jack Hardy for scoring a hundred each (U17).

I take this opportunity to thank Kurt and Matt Smith for their tireless work as secretary, treasurer, stocking the bar, and handling the registrations clearance and general administration of the club. Thank you also to Dave Tomlins as Seniors WACA delegate, Steve Starkie junior WACA delegate and duties of junior coordinator, Kim Harris as Vice President and Chairman of selectors, Glen Hermans and Paul Knight as training captains, Tony Delborrello and Peter Mountford for their ongoing support on game day for the 1st grade team.

Welcome to Ranjit Roshan to the club as the 1st grade scorer and for his efforts and encouragement throughout the season. We look forward to many years of his involvement with the club.

To Trevor Scott, our new curator, thank you for the time and effort in preparing match day wickets, training tracks and the numerous additional wickets for junior practices matches. Also like to thank the Licastro family who took over this season the role of cleaning the rooms and pavilion on a weekly basis. They did a fantastic job and we could certainly see the difference in the quality of the work. Peter Wearne again did a great job in organising the past players and supporters golf day and lunch. In addition, thank you to all involved, committee members, players and supporters from SCC and South Perth, for ensuring the annual Peter Henderson memorial game continued to be a success.

We welcomed back Anne Carvalho this season to oversee afternoon teas and lunches for players and supports. Her pride in the club and what she does can be seen by all and we thank her for all the time and energy she puts in week in and week out.

CRICKET DIVISION REPORT cont....

Finally I would like to thank our sponsors for their ongoing financial support, which assists the club to provide the environment for all to enjoy the great game of cricket. In regard to the 16-17 season, will look ahead positively for on and off field performance, as well as celebrating number of key anniversaries

during the season, those being our first, 1st grade premiership success 40 years ago, 10 year anniversary of a 1st grade premiership and our only 2nd grade premiership success , which occurred 30 years ago.

Brendan Carvalho – Chairman - Cricket
